To rent a U-Cart from GilCon Materials, you must first **READ AND AGREE** to the following:

I agree that my vehicle is insured and meets the necessary requirements to pull the load, and that GilCon Materials will not be held responsible if I choose to ignore the requirements. I understand that while the U-Cart is connected to my vehicle, I and/or my insurance company are responsible for anything that may occur. I also agree that I will not disconnect the U-Cart from my vehicle.

I agree to have the U-Cart returned in normal working order, with No Damage, as soon as possible and in **2 Hours of Less** from the time I leave GilCon Materials premises. I understand that the late charges are **\$2 per minute**, and that the late charges double after regular business hours.

I agree to dispose of any unused concrete on my own. I agree to clean out the U-Cart with a pressure washer or garden hose, as soon as the concrete has been emptied. I will spray the cart inside and out until ALL Concrete is removed. If I do not clean out the U-Cart properly, I will forfeit my deposit and possibly incur additional cleaning fees.

By signing below, you agree to the above whether you have read it or not.
